Camp Orchard Hill is pleased to provide you with transportation to Day Camp! As with all our programs your child's safety is most important to us. Look for the Camp Orchard Hill lettering on the side of the bus! We will have a counselor to check campers in and out and to supervise campers on the bus. Please evaluate your camper's health and have them remain at home if they experience symptoms of illness.

For everyone's safety we have the following rules for the bus. Please discuss these with your child.

- Parents are responsible to wait for the bus and sign their camper on and off the bus.
- Campers should listen and obey the bus counselor and driver.
- Campers should remain seated while the bus is in motion - and once seated, do not change seats.
- Campers should tell their counselor about any problems on the bus.
- Campers may use their own electronic device only while on their bus ride. Each parent is responsible to approve appropriate content and campers are responsible to select approved content. When the bus arrives at camp, devices will be placed in the designated bus bin and stored in a safe location at camp during the day.

COMMUNICATION WITH CAMP:

- Please contact the office if your camper will be absent or if you need to change your afternoon pickup plan.
- Payments or medication: Hand to the bus check-in team in a sealed envelope/ziploc bag with camper's name.
- We will communicate changes in the transportation schedule via the primary email address on your account.
- In the case of emergency that would affect camper pick up or drop off, we will contact you via text or phone.

Please email office@camporchardhill.com with any concerns about your camper's experience on the bus!
